

WE'RE HERE TO HELP you focus on your patients and pharmacy.

Helpful tips and resources to support the service
you're providing to your communities.

Offering curbside pickup or drive-through only?

Don't forget prominent signage for deliveries.

Do you have designated shoppers for customers looking for front-end products like gift baskets or homeschool supplies?

Utilizing your social media channels and local news outlets are great ways to keep patients and the community informed on what you're doing and your pharmacy's value.
